PRODUCT FEATURES

Restful sleep is often the first line of defense for combating illness, repairing cells, and provide rejuvenation of mind and body. However, when stressed, the body operates in a fight or flight mode. We often define stress as things like work, relationships, or busy schedules, but it can also be a lack of nutrients for the body to function normally. Many people struggle with going to sleep, staying asleep, or having restful sleep because they don't have the building blocks their bodies need. We have chosen high quality, all-natural ingredients to provide the nutrient-ready environment for your body to achieve great sleep!

SUGGESTED USE

Pour directly into mouth.
